### **Pre-conditions**

Action

1.Clean web cache

### **Steps to reproduce**

| Step            | 1   |
|-----------------|---|
| Action          | Go to https://teodor.bg/  |
| Input data      |   |
| Expected result |   |
| Step            | 2   |
| Action          | Click on "Account" icon   |
| Input data      |   |
| Expected result | Should be open "Account" page   |
| Step            | 3   |
| Action          | Click on "РЕГИСТРАЦИЯ" button   |
| Input data      |   |
| Expected result |   |
| Step            | 4   |
| Action          | Fill in all fields with valid credentials   |
| Input data      | Име: Angel<br>презиме: Bubarov<br>Email: skillosk35@abv.bg<br>Парола: Angelisgreat1 |
| Expected result |   |
| Step            | 5   |

Click on all required checkboxes

| Input data      |   |
|-----------------|---|
| Expected result |   |
| Step            | 6   |
| Action          | Click on "I'm not robot" checkbox                         |
|                 | CHECK OIL THITHOUTOBOL CHECKBOX                           |
| Input data      |   |
| Expected result | A pop-up should appears with a image                      |
| Step            | 7   |
| Action          | Follow the instructions in reCAPTCHA                      |
| Input data      |   |
| Expected result |   |
| Class           |   |
| Step            | 8   |
| Action          | Click on "Verified" button                                |
| Input data      |   |
| Expected result |   |
| Step            | 9   |
| Action          | Click on "РЕГИСТРАЦИЯ" button                             |
| Input data      |   |
| Expected result | Message should appear "Confirm your profile"              |
| Step            | 10  |
| Action          | Go to your email and press "Потвърдете Вашия профил" link |
| Input data      |   |
| Expected result | Message should appear "Account is created"                |
| Step            | 11  |
| Action          | Verify account is created                                 |
| Input data      |   |
| Expected result | Account is created successful                             |
|                 |   |
